** **France:** Our House Wine - Les Terrasses Blanc, Rouge and Rosé. These are from the Ardeche, just west of Montelimar in the Rhône valley. Very good wines, approachable and easy drinking with lots of fruit*

***Italy:** Vezzani Bianco & Rosso. The white is from Sicily and the red from Puglia. Really good quality with up-market grape varieties. Slightly higher acidity but, if looking at food matching, this is a plus point.*
